☎ 9105448667

Motivated and detail-oriented Web Developer with a strong foundation in front-end technologies, including HTML, CSS, JavaScript, React, and Tailwind CSS. Passionate about creating user-friendly, responsive, and visually appealing web applications. Eager to contribute to a dynamic team and grow in a challenging environment that fosters professional development and innovation.

Skills

- **Front-End Technologies**: Proficient in HTML, CSS, and JavaScript for building interactive and responsive web pages.
- **JavaScript Libraries**: Experienced in using React for developing dynamic user interfaces.
- **CSS Frameworks**: Skilled in utilizing Tailwind CSS for efficient and consistent styling.
- **Version Control:** Familiar with Git for source code management.
- **Responsive Design**: Committed to creating mobile-first, cross-browser compatible websites.
- **Problem-Solving:** Strong analytical skills with a keen eye for detail and debugging.

Projects

1. **University Website** 🔗https://innovation-university-codyankit.netlify.app/

- Developed a University Website using React for efficient state management and component-based architecture.
- Styled the application with Tailwind CSS for a clean and modern user interface.
- Integrated animations and interactive elements to enhance user engagement

2. **Gym Website** 🔗 https://saraswat-gym.netlify.app

- Built a Gym Website using HTML, CSS, and JavaScript to show the products and selection of different plans offered by the Gym.

3 **Image Search App** 🔗 https://saraswat-image-search.netlify.app

- Developed a Image Search App using HTML, CSS, and JavaScript to show the images search by the user with the help of fetching the API.

4 **3D Animated Website** 🔗 https://cyberfiction-3dimension.netlify.app

- Developed a 3D Animated Website using HTML, CSS and JavaScript.
- Designed the application using GSAP library of JS.

Education

● **Jai Narain Vyas University, Jodhpur**

- Bachelor of Computer Application, Web Design, & Development
- passing year:- 2025
